

G-235

Emergency Planning

Seward, NE

May 13 & 14, 2021

8 A.M. - 5 P.M. Both Days

Southeast NE Planning, Exercise and Training Region

Overview:

This course is designed for emergency management personnel who are involved in developing an effective emergency planning system. This course offers training in the fundamentals of the emergency planning process, including the rationale behind planning. It will develop your capability for effective participation in the all-hazard emergency operations planning process to save lives and protect property threatened by disaster.

Course Objectives:

At the completion of this course, you should be able to:

- Identify doctrine and guidance for emergency planning.
- Indicate the relationship between preparedness and planning.
- Identify the purpose and components of an emergency operations plan.
- Identify the steps in the planning process.
- Determine the status of your jurisdiction's emergency planning

Recommended Prerequisites:

- FEMA IS-235 and IS-800

There is no registration fee for attending.

Class size is limited to 20 participants.
