

G – 358 Evacuation and Re-Entry Planning

Kearney, NE

Date: October 26-27, 2022

8 A.M. - 5 P.M. Both Days

Sponsored by SC Nebraska PET Region

Overview:

This 12-hour course provides participants with the knowledge and skills needed to design and implement an evacuation and re-entry plan for their jurisdictions. It uses a community's vulnerability analysis and evacuation plan. It also addresses evacuation behavior and recommends methods to make evacuation and re-entry more efficient. This course does not address the decision to evacuate or re-enter.

Target Audience:

The persons responsible for planning, implementing, and carrying out evacuations within a jurisdiction. This includes, but is not limited to, state and local government emergency program managers, emergency planners, and response personnel.

Recommended Prerequisites:

- IS-100, Introduction to the Incident Command System,
- IS-0200.b, Incident Command System for Single Resources
- IS-0700.a, National Incident Management System, An Introduction;
- IS-0800.b, National Response Framework, An Introduction;

There is no registration fee for attending;

Lodging, Meals, Per Diem and all other travel expenses are the responsibility of the student or the parent organization.

Class size is limited to 24 participants.
