

CORONAVIRUS AND KIDS: RESOURCES FROM SAVE THE CHILDREN

OUR PICKS: FREE EDUCATIONAL WEBSITES & APPS

If you have access to the internet at home, here is a list of fun, free educational websites as well as phone and tablet apps to help keep kids learning. Most sites include reading and math games, videos, stories and more and all indicate what are age and grade appropriate. We've organized this list into two categories – preschool and elementary school.
